### Pleasure and indulgence

The perfect combination of the different areas of the Menetou-Salon region. 'Les bornés', which means 'clay soil' in Berrichon —the local dialect— is an aromatic wine. The nose is reminiscent of the grape variety and the taste is full, rich and tender.  
A truly pleasurable wine that will reach its fullest potential in 2 to 3 years.

*Available in 375 ml and 750 ml*
